Sir

Laying underground sewers in the suburban Chamraj Pet extension

--

Adverting to Government Order No. 4890-3/Ml 47-40-65 dated 27th December 1940, sanctioning an estimate for Rs.1,800 for laying sewers in the suburban Chamraj Pet extension, I have the honor to state that the work has been completed in all respects as modified estimate for Rs.18,936/- as per actual execution is herewith enclosed the report and comparative statement also accompany

The only material deviation from the original sanctioned estimate is that the sewer lines could not be laid in the conservancy lanes on account of the large boulders and therefore had to be laid in the main roads

There has been a net saving of Rs.2,114 on the original estimate due to only low tender rates

I request you to be so good as to obtain and convey the sanction of Government to the modified estimate

I have the honour to be,
Sir,
Your most obedient servant,
[signature]
Director of Public Health
